

WHAT FACULTY SAYS

“ There is no way that I can concisely articulate the seemingly endless positive effects Tail Wags & Book Bags has had on our students and staff. ”

~ Special Education Teacher

“ My students who struggle with interpersonal relationships have been notably more social and outgoing when working with an assistance dog. ”

~ Social Worker

“ Regardless of age, the students respond well, are more relaxed, and read with greater proficiency in their sessions with a certified assistance dog. ”

~ Reading Specialist

WHAT STUDENTS SAY

First Name Rose Age 9

When a dog is in my classroom I feel...

happy and excited to read.
We sit down and
she comforts me.

Working with a dog at school has taught me...

how not to be afraid
to read and write.

First Name Ryan Age 8

When a dog is in my classroom I feel...

safe and calm because I
know she loves me ♥♥♥ !!!

Being with a dog at school has taught me...

how to read out loud
finally !!!
